

Alpha Iota Delta 2015 - 2016 Goals and Accomplishments

Membership

- Member Chapters
 - Maintain communication with Faculty Sponsors, Deans and Chapter Members
ACTION: Letters and follow-up telephone calls continue to be made to Chapters, Deans and/or Department Chairs.

 - Reactivate at least one (1) Chapter and follow-up on restarts
ACTION: One Chapter is re-starting.

 - Assist Chapters in Induction Ceremonies and other activities
ACTION: All Chapters have received emails regarding support from the National Office. The Alpha Iota Delta Store continues to serve the supply needs of the Chapters. Inventory items not being used are being discontinued.

- Redesign the national and international Chapters to increase membership
ACTION: Still in exploratory stage.

- Maintain/Expand Best Paper Awards in the Regions
ACTION: Letters have been sent to regions regarding support for Best Paper Awards: \$200 prize and Certificates. Four (4) regions are participating.

ACTION: Continued support of the DSJIE Teaching Brief award.

- Continue visibility within the Decision Sciences Institute membership
 - Present to New Faculty Development Consortium, Doctoral Student Consortium, Member Services Committee
ACTION: Presentations to all groups have occurred.

 - Maintain Reception Table at Annual Meeting
ACTION: There is a table at the 2016 Annual Meeting and one planned for the 2017 Annual Meeting. Display and table items were upgraded. Follow-up letters were sent to Table visitors after the 2015 meeting.

 - Maintain active membership on the Innovative Education Committee
ACTION: There was participation in the review process for the 2015 Award. Alpha Iota Delta is participating in the 2016 Award ceremony.

 - Maintain Alpha Iota Delta column in *Decision Line*
ACTION: Alpha Iota Delta had no article in the quarterly issue of *Decision Line*.

- Develop partnership with other Organizations
ACTION: Exploration with Information Systems Association

ACTION: Membership in the Association of Collegiate Honor Societies (ACHS) is current.

Administration

- Strengthen the administrative operations of Alpha Iota Delta
 - Executive Director and Home Office
ACTION: Alpha Iota Delta and DSI continue to strengthen the working relationship. President met with DSI Board. The Treasurer filed the necessary IRS documents. The State of George filing requirements was done. The legal representation continues.
 - Align with changing DSI structure
ACTION: Adjustments continue to evolve.
- Continue implementation and development of the Web Site
 - Enhance functionality
ACTION: The web site is operating at the international level. The career services module is being used. The e-shop and the fundraising modules are available. Credit card processing capability changed to PayPal.

ACTION: New web site with enhanced security started in 2016.
 - Implement a membership management strategy
ACTION: All Chapters are being encouraged to enter new members through the web site. On-line enrollment of new members was used by two (2) chapters. Web site enhancements are still being done. The inventory management system and mailing system were used for all chapters.
 - Develop a library of knowledge
ACTION: There has been no activity.
 - Develop continuing education programming
ACTION: No new strategies were implemented.
- Develop value for the members
 - Promote the **International Journal of Applied Decision Sciences (IJADS)**
ACTION: The electronic journal is being advertised and published. **International Journal of Applied Decision Sciences (IJADS):** ISSN (Online): 1755-8085; ISSN (Print): 1755-8077; <http://www.inderscience.com/ijads>
 - Encourage increased Chapter activities

ACTION: Sharing of best practices continues.

- Continue the Chapter and Faculty Sponsor recognition program

ACTION: The Chapter of the Year and the Faculty Sponsor awards are available for outstanding nominees.

- Implement the Student Case Competition

ACTION: The Student Case Competition was not started because no administrator has been found.

Sustainability

- Increase endowment fund by \$10,000

ACTION: A donation of the domain registration (\$225/through 2015) and web site fees (\$1,000 annual) did not occur.

- Recruit at least one (1) Advertiser

ACTION: No advertisers have agreed to participate. Some revenue has been received from the job board.
